

# ACCELERATING SUSTAINABLE CAPITAL FOR CLEANTECH ENTREPRENEURS

IN PARTNERSHIP WITH THE CITY OF SACRAMENTO

## WHAT IS ASCEND?

Momentum's ASCEND program provides foundational training and technical assistance to Sacramento area-based startup founders, innovators, and businesses focused on funding clean technologies and concepts.

## ASCEND PROVIDES

- **FREE** funding expertise and strategy from highly sought-after industry leaders
- **\$3500** in unrestricted dollars to support participant time in the program
- Fund-ready documents and resources to support future fundraising
- Access to coveted networking opportunities and connections
- Views from the top of our beautiful downtown office in Sacramento

## ELIGIBILITY

- Live or have a business address in Sacramento or **six-county region**.
- Operate in the clean economy; clean mobility and clean energy technologies
- Represent, live in, serve, and/or have services that benefit all populations, especially **Priority Populations**.
